

## **DAY ONE**

### ***Janet Nunn – Top of the Divide***

**Duration of Class: One Day (6 Hours)**

**Medium:** Liquid Watercolor

**Skill Level:** All

**Description:** Create this scene on Trail Ridge Road. We will be using masking tape, wax paper, and Dr. Ph Martin's Hydrus Watercolors. During the first part of the day we will be working on the Top of the Divide painting, and the end of the class we will be doing a smaller work that uses the same techniques of the morning painting. All of the supplies for this workshop are provided – all you have to do is show up ready to paint!

#### **Techniques:**

Learn how to use the Dr. Ph. Martin's Hydrus watercolors. See how easy it is to paint using wax paper as a brush for the initial painting. See what layering paint can do to bring a painting to life.

#### **Student Supply List:**

Everything you need for this workshop is provided, but if you have your own favorite brushes, you might want to bring a round #8, 10, 14, and a flat brush (1/2 inch or 1 inch). You might also want to bring a pencil.

#### **Provided by Instructor:**

- 300 lb Fabriano Artistico paper
- Dr. Ph. Martin's Hydrus Watercolors
- Brushes
- Palette

#### **Class Size:**

Min # of students: 4

Max # of students: 20
